Thread: [UDP Shells - Exploited \[All Working - 13/03/16\]](#)

Scuti - March 12, 2016, 1:30 am

All shells (Free and Paid) have been exploited by myself, they're all confirmed working since 13/03/2016.

Free Public Shells (Brand New)

Comment below if you are interested (100 shells free per person)

Prices for Private Shells (Unshared, hit much, much harder)

\$5 One Shell

\$10 Three Shells (2 Shells Free)

\$25 Ten Shells (5 Shells Free)

\$50 Twenty-Five Shells (15 Shells Free)

If you have any questions/queries/inquiries, please let me know below, thanks.

You posted this twice in 2 different places, and you are not reading the Help Doc. This is not the marketplace.
