Thread: [Cheap Hoster for TS3?](#)

**razencs** - March 13, 2016, 10:39 am

hey,  
maybe its the wrong selection idk if yes im sorry.  
i want to know if anyone of you knows a very cheap ts3 hoster or a very cheap vps hoster where i can host a ts3 ^^

regards

I can recommend this also, as you can get a free teamspeak server up to 32 slots, and just get a cheap linux VPS. I'll be more then willing to help you out.
