Thread: [\[VIDEO\] What Sound + Music Looks Like \(Cymatics of Sound\)](#)

Jerry Smith - March 13, 2016, 12:24 pm

I was doing some research on soundwaves for fun.

I came across this video, I was amazed by it.

Anyone seen it?

[Video: <https://www.youtube.com/watch?v=Q3oItpVa9fs>]

Tell me what you think! ?

jujuger - March 13, 2016, 12:34 pm

This is pretty dank op, really cool

Meme. - March 13, 2016, 12:37 pm

I'm a musician, I know these things but they're still impressing me..

I used to be a singer.

Combustion - March 15, 2016, 12:15 pm

Pretty as fuck :o

I'm fond of that.

Silent Storm™ - March 15, 2016, 12:26 pm

That was truly an amazing video, I loved how it was put together as well.

Why can't all responses to threads on HF like this

Jerry Smith - March 18, 2016, 11:23 am

Bump I want more people to see that

O t t o - March 18, 2016, 11:32 am

This is a really nice video.

Thanks fam

I didn't make it though.

Freakazoid - *March 18, 2016, 3:21 pm*

Found this video really cool. Thanks for sharing it buddy :)

My Computer - *March 18, 2016, 3:26 pm*

Wow, that was interesting. Thanks for sharing OP.

Jerry Smith - *March 18, 2016, 3:31 pm*

Another bump, keep it up ^ ^ ^ ^ ^
