Thanks to That Guy Maxim for thread design :)

Terms of Services:

- 1: If I'm unable to dox the individual for whatever reason. I will offer a refund. I only accept BTC
- 2: Whatever you do with the information is your responsibility. I'm not deemed responsible for your actions regarding the information I will hand over.
- 3: I will only hand over the DOX once completed and I've received a payment.

Ps: Might take 1-2 days to complete the order.

Read this thread, before dealing with this user. He even posted a false rep on me, without any reason. DWC.

Nice sales trashing you do realize that's against the rules right?

Leaving false reps is also against the rules. I'd like to see proof that we've been dealing. It's not false at all :) read the rules brother.

If you mean Slightly by "friends" he is not my friend and all he did was link my community alert about you.

I don't know how I got involved and it isn't my problem either because anyone can do it.

Why does everyone keep sales trashing?
The thread + Mr Gates looking legit.

GLWS.
