Username: Escape Reality

Profile Link: <https://hackforums.net/member.php?action=profile&uid=2691152>

UID: 2691152

Username when I bought from him: \$aTaN

Amount: \$8 BTC

Thread: <https://hackforums.net/showthread.php?tid=5151291>

Bought access to a Twitch Panel on March 5th and was suppose to last one month.

~ OP sold a bunch of people a shared account to this website [here](#). I even asked him for a refund at one point and he told me he didn't have the money at the time to send it back.

Sucks to be a faggot like you.

Legit scam report.
