Looks like a standard airsoft mask with designs spray painted on it.

It's a Neoprene full face mask. Usually used for skiing. (That's if this isn't plastic, it looks like neoprene foam to me)

They're on Amazon, Walmart, pretty much anywhere with sports supplies.

Amazon (cheaper version, not painted):

Go to Amazon, Bikers masks, There is a lot of sexy masks designs there :)

Vittorio - March 15, 2016, 6:14 pm

You plan on killing someone OP?

NGMA - March 15, 2016, 6:14 pm

I recommend a Kevlar Ski Mask for any illicit activities. ?

It makes your head very heavy tho.
