Add a new rule to marketplace:

- Not allowed to make joke threads

My statement:

Alright, I love jokes and all and am pretty much a jokester myself but man, I got to the marketplace to shop. As much as I love the jokes and yea they are pretty good, they lower the possibility of someone else getting a sale simply because it bumps it to the next page/fills the marketplace with false hope.

Not going to lie though, I enjoyed the joke.

You're a bad boy. Broke a rule by trying to make a rule.
