So i got scammed by Exitus for a 5\$ layer 7 server for 5\$ LOL

Thread: <https://hackforums.net/showthread.php?tid=5172114> (which he junked)

Proof of payment: <http://prntscr.com/agiz1w>

being ignored on skype: <http://prntscr.com/agizk0>

tl;dr I bought a server for a bit more then 5\$ to sent layer 7 attacks, it worked for 1 and a half week, then i got my ip back from my old pc, tried it server offline, messaged him and i get ignored, yet he comes online and talks to other people.

Deal with Caution...
