No sorry

They only got Linux, but I would suggest you to try them out

Bitmog - March 21, 2016, 8:10 am

Bump!

This is an amazing deal, do something about it before they change their prices.

Is it possible to pay via bitcoin?

and another question is what kind of locations do you have?

Sinkovsky420 - April 6, 2016, 10:30 am

Paid, didn't get shit, opened a support ticket, let's see.....

PMed you

Anyway guys, this is still a offer, lets go guys. Take it while its on.

ScorpionOfWar - April 11, 2016, 4:44 am

The cheapest vps I see is 11,88€ annually

Bitmog - April 11, 2016, 7:47 am

You can pay monthly for the others,
However 11.88€ annually is

If you pay monthly for the others, that's get you even lower, cheers.

It is not a fraud.

This is a completely legit company, nothing wrong with it.
You don't get your VPS before you pay, please check it out.

Bitmog - May 1, 2016, 11:11 am

Hello, many have registered, thanks :)
Get your VPS today :)

Sir Hunningham - May 1, 2016, 11:59 am

I use this for my proxy, it's really good VPS.
They are located in Lithuania, this is their [datacenter](#) and this their official [website](#)

HiddenEyE - May 2, 2016, 1:32 am

is port 25 open in your VPS, please let me know, i want to make purchase.

Bitmog - May 2, 2016, 1:43 am

Do you have reviews of the VPS's you sell?

Bitmog - May 2, 2016, 3:45 am

(May 2, 2016 03:03 AM)-Tab- Wrote: [\[CITE\]](#) Do you have reviews of the VPS's you sell?
Not me selling the VPS, just promoting it.
