Thread: [\[Graphics\] Massive Compilation of the most High Quality Tutorials on Hackforums](#)

TubeYoubert - March 19, 2016, 7:06 pm

These are some of the tutorials I've found extremely useful over the past couple hours of searching through Hackforums. Do note that I do NOT by any means own any of these tutorials and all credit is given to the authors themselves. Thank you and I hope you learn a lot from this.

Here I have compiled tutorials that are the most useful and that of the highest quality in my opinion.

Also here is another thread which is extremely useful if you're looking for more tutorials: [Design Tutorial Central by Bad Meets Evil](#)

and also [A Mega compilation of Hackforums tutorials](#)

Message me if your tutorial is not added and you would like for it to be added.

No reason for anyone to reply but I felt bad for you putting all this work into making the thread, and not getting a thanks...
so thanks.

TubeYuber - March 23, 2016, 1:47 pm

Just bumping this for you guys :)
