Once upon a time not so long ago
OhHax used to work on the docks, union's been on strike
He's down on his luck, it's tough, so tough
Gina works the diner all day working for her man
She brings home her pay, for love, for love

She says, we've got to hold on to what we've got
It doesn't make a difference if we make it or not
We've got each other and that's a lot for love
We'll give it a shot

Woah, we're half way there
Woah, livin' on a prayer
Take my hand, we'll make it I swear
Woah, livin' on a prayer

OhHax's got his six-string in hock
Now he's holding in what he used to make it talk
So tough, it's tough
Gina dreams of running away
When she cries in the night, whispers
Baby, it's okay, someday

We've got to hold on to what we've got

It doesn't make a difference if we make it or not
We've got each other and that's a lot for love
We'll give it a shot

Woah, we're half way there
Woah, livin' on a prayer
Take my hand, we'll make it I swear
Woah, livin' on a prayer
Livin' on a prayer

Oh, we've got to hold on, ready or not
You live for the fight when it's all that you've got
Woah, we're half way there
Woah, livin' on a prayer
Take my hand, we'll make it I swear
Woah, livin' on a prayer

Woah, we're half way there
Woah, livin' on a prayer
Take my hand, we'll make it I swear
Woah, livin' on a prayer

Woah, we're half way there
Woah, livin' on a prayer
Take my hand, we'll make it I swear
Woah, livin' on a prayer
