[Here's what my voice sounds like, now what do you want to use it for?](#)

I'm up for basically anything, just hit me up.

Also, if you want a better voice clip, just say so.

I'll make another one, it'd also be nice if you gave me a line to say ?

Domyos - March 20, 2016, 12:21 pm

You have a pretty awesome sounding voice, would be perfect for streaming or something else imo.

I have an instagram page called called LeaguerMemer that has been growing at a nice rate for me. Shit name though. Made it sound cool. Imagine a big fancy animation, like EA Games, where only letters come out, and suddenly they say the companies name in some badass way: <https://www.youtube.com/watch?v=9BCBlz8Jq8U> .
