Thread: [Snaps.IM - Snapchat Online, Snapchat Social Community](#)

Lukeidiot - March 21, 2016, 10:38 am

Hey guys,

I am currently releasing the beta of <https://snaps.im>

If you would like, once registered, click "Messages", then new message to: admin

Tell me your thoughts on the design and feel.

Cheers.

pms - March 21, 2016, 11:34 am

getting spammed with the message "0" by someone, its pretty annoyin'.

Lukeidiot - March 21, 2016, 12:09 pm

This is probably a bug, can you tell me how this was produced? (screenshot?)

Chubs™ aka badman - March 21, 2016, 12:24 pm

Can you take snaps on this? Or just view snaps and that?

Netflix and Weed - March 21, 2016, 1:54 pm

I have decided I was going to support this project, Hope to see more members on it and more features added.

Lukeidiot - March 21, 2016, 5:08 pm

Awesome! We just added https support as well.

<https://snaps.im> or <http://snaps.com> will work. (http redirects to https)

BruceTheMoose - March 21, 2016, 5:52 pm

Loving the site layout and design, clean and efficient. However what is the actual purpose in this site?

@Jupiter - March 21, 2016, 5:53 pm

You mean <http://snaps.im>

I was going to be really surprised if you owned snaps.com

Lukeidiot - March 21, 2016, 5:59 pm

Ah yeah my bad.

Lukeidiot - March 24, 2016, 1:24 pm

We've just added a feed system!

react - April 12, 2016, 1:05 pm

Love the layout, just signed up. Excited to start using it!

Ice. - April 13, 2016, 3:27 am

can you post snapchats from this site?

goetia666 - July 1, 2016, 2:21 am

Is this project still alive? I receive: Snapchat Request failed: [POST] [<https://app.snapchat.com/log/login>] connect() timed out!

Lufasu - July 1, 2016, 3:21 am

Looks like amazing web site man !

good luck !

SIM-2575009 - July 1, 2016, 8:27 pm

Keeps saying that I have the wrong password...

b?xxy - July 1, 2016, 8:28 pm

So, should I start directing E-Whores to this website?

Lukeidiot - April 25, 2017, 10:56 pm

Shes up and running, go check her out now because life.

Noisy - April 26, 2017, 8:13 am

The HTTPS version didn't seem to load for me but the HTTP one did

Regulus - April 26, 2017, 8:15 am

Yeah same thing for me.

Anton Chigurh - April 27, 2017, 9:30 pm

Is a webcam included in premium package and dose it run on windows 2000

Excalibur' - April 28, 2017, 10:20 am

Great project, looking forward to it!
