Thread: [Nominations: March 2016](#)

Froggy - March 21, 2016, 1:25 pm

Credits to [iHydra](#) for making the official contest graphics!

Welcome to the Member of the Month Nomination thread for March 2016!

The Member of the Month award is given to one special member each month, based on their contributions throughout the community and winning the majority vote in the poll. Every member has the potential to win the award, but the decision is made by the combined efforts of members and staff. To learn more about how the competition works, [click here](#)!

The Nomination phase begins today and ends on Wednesday, March 30th, 2016!

This is your chance to determine who gets placed on the poll. You may only nominate one person per month, so make your nomination count! To nominate a member, all you have to do is follow the guidelines in this thread and post your nomination as a response. No other posts (feedback, comments, etc) are allowed; they will be removed and the poster may be warned.

Any member that fits the following requirements is eligible to be nominated: Minimum of 500 posts
0% warning status

Has not already been nominated in this thread

Has not received the [MOTM award](#) previously

Was not in the [previous month's poll](#)

Non-staff member (you can still nominate mentors and ex-staff)

Has contributed in some public way during the month of March (group forums do not count)

Is not the user [Froggy](#) A nomination post must contain the linked username of the member being nominated, followed by a minimum of three of their contributions that occurred within the month, and a reason why they deserve the award.

NOTE: Contribution links don't have to necessarily be threads, but can also be links to specific posts.

Use the following format to correctly nominate a member:

```
Code [b][color=red]Username:[/color][/b] [url=HFProfileLinkHere]TheirUsername[/url]
[b][color=red]Contributions:[/color][/b]
[list]
[*][url=ReplaceWithLink]Link 1[/url]
[*][url=ReplaceWithLink]Link 2[/url]
[*][url=ReplaceWithLink]Link 3[/url]
[/list]
[b][color=red]Reason:[/color][/b]
```

* By making this post, I understand all of the rules stated in the OP and acknowledge that my post may be removed and I may be warned for breaking them.

Members are allowed to ask others to nominate them (user X can ask user Y to nominate user X for a given month).

All rules apply during this phase (e.g. securing/asking for votes during this phase will get you banned from the contest if brought to the light at any time, even if you're already on the poll).

Reason: AXiS has been on Hack Forums for over four years now and I really feel like he's been helping out members tirelessly throughout the entirety of his time on Hack Forums. He always responds to PMs asking for his help and he's always willing to lend a hand in the Marketplace, specifically. I genuinely believe that he cares for other members and isn't in it for the recognition. A lot of the stuff he does is behind the scenes and goes unnoticed and, as someone who does the same, I know that this could really make his day. Oh, and he got Repkilled by Omni accidentally, he didn't really deserve that, lol.
