TRAUMA - March 24, 2016, 2:20 pm

In memory of [this thread](#), since the owner was closed and it's become inactive.

I will be recreating one and only allowing active/high quality members in here.

EDIT: Group is currently down, have not had time to manage it.

Will be up in a few days, only picking out super HQ users.

HOW TO JOIN: Post or PM me your Skype username (I prefer PM's so I can just send you a join link)

If I qualify you as high quality, well not a troll I will send you the join link!

RULES: No trolling

No pack begging

Not allowed to be inactive for more than 5 days, if so, you will be removed.

DO NOT ADD RANDOMS

Feedback:

Started helping by contributing knowledge to the group, in result:

Got kicked out for doing absolutely nothing. Messaged the admin, he didn't respond.

Conclusion: The group is not worth your time. Complete utter waste of time.
