Thread: [Starting A Youtube Channel Tonight Need Ideas For A Channel Name](#)

Natalie Dormerr - March 26, 2016, 2:53 pm

I am looking for channel names for youtube going to record and upload some rust gameplay tonight and no I am not going to make it my hf username. I need something without "gaming" and without numbers post your best ones below!

how about Failiure999999999?

if you're just gonna do standard let'splay, you're in for a lot of dissapointment.

serious idea: Balls of Rust

How are you going to be creative if you can't even come up with a name??

Just kidding haha.

Anything specific that you are going to play?

It depends on the type of gaming videos you're going to create.
Are they FPS games? Minecraft? humour related? horror?
