Just tell me what you want

j10max - March 27, 2016, 4:41 pm

Hey, looking for a logo for my website.

"Vampr": text.

Whatever design.

Cheers.

What kind of website are you running.

Imawetard - March 27, 2016, 10:09 pm

I run a YouTube channel and its gaming and my mascot is Anubis I need a banner and a profile pic if u can make one just pm me if u have any questions thanks in advance

I've contacted you on Skype. May need assistance with a Signature.

Thanks in advance.

MohitSahoo - March 28, 2016, 9:20 am

I am looking for a logo design for my new Mobile App called "Foreign Currency Finder"

I will need the logo and icon for my app to be 1024px atleast, PNG with transparent background and project/source file in Photoshop or Illustrator.

Please make the icon of the app for Apple Appstore, it should be 1024px by 1024px (SQUARE)

Thank you.
