I WILL PAY YOU IN BTC!

How it works:

1. Pm me letting me know how much \$ you are looking for a months worth of signature space (make it reasonable)
2. I will respond letting you know if I accept the offer or have a counter offer
3. Once we come to an agreement you will send me your btc address and I will send you the btc.
4. You wear my signature for a month and that's that!

You can chose which of the following siggys you would like to wear:
