Angel posted lists of recommendations other users thought people would like based on those titles.

Personally i think based on blue exorcist, the anime Tokyo Ravens is a good fit for you in a lot of ways, it is a very good series and has a lot of similarities IMO.

Noragami kind of fits your description, try checking that out.

Tokyo Ghoul/Akame ga Kill

You would like both probably

Beyond the boundary

Noragami

Tokyo Ravens

Pretty much the generic mainstream animes will suit your needs.
