an hour and fifteen minutes of work:

\$19.31 USD

Basically I looked at successful logs and unsuccessful logs and also got some amazing traffic sites, my story was I needed to get a pack of cigarettes. Only talked with 5 people, and one I'm absolutely sure will buy again.

I was jerking until I heard it was for cigs

I second what Double has stated.

Actually there is a weirdly huge fetish market for girls who smoke! Pretty weird but there are some guys out there who will give you anything for their pleasure
