Hello,

would I be able to buy a sticky for an ebook for private investigations? Or are eBooks not allowed out of premium sellers/eBook bazar?

EVOLVE - *March 29, 2016, 5:15 pm*

There is an ebook/method for sale in the ewhoring section so this should be allowed. Had a sticky before too...

If you purchase a sticky, you could have your eBook that you're selling stuck in a different section.
