Thread: [Lost my auth](#)

Jordy Clasie - *March 30, 2016, 12:36 am*

Hey guy's

Recently changed my password, but since I didn't use HF for a long time I lost my auth for my other account (Jordy Clasie).

How can I get this back? I have full e-mail acces to my account. Since I changed my password earlier this morning.
