However these will only last for the time you are leader correct?

How long do you plan on keeping the leader position?

Chubs™ aka badman - March 30, 2016, 1:11 pm

Damn that is a cheap price. Wish I had saved up now. Nice group though man! Gl.

I will be renewing my leadership once my leadership runs out. I will have the funds tomorrow to renew my leadership for the next month (only purchased my leadership a few days ago so I still have a month plus another after tomorrow). I will be renewing on a monthly basis and I will continue to as long as the group stays alive and active. The funds from these buy ins will be put towards activities for Eternal and that will be the only use of these funds.

You're doing this to get the \$150 for the leadership spot back

Even though you lose some money.

You're not the first one who tries it

Quote:I will be renewing my leadership once my leadership runs out.

Everyone said that and then those who bought in got kicked after 1 month

How long can you promise you will renew?

And may we open a scam report if you don't?

I will NOT be doing this. I have no reason to, I have a job and I will be able to provide the funds for my leadership spot on my OWN. I will give proof to anyone who purchases a buy in on where their funds are going to. The funds used to purchase these spots will be going towards the group and that is the only place they will be going to.

I feel sorry for people that buy into groups you get nothing out of it.

Not trying to sales trash you.

I have already said, I promise to renew every month until the group gets sold or gets closed. If I don't renew my leadership then you have every right to open a scam report.

Your account is worth like \$50 lol. This could easily be a exit scam. Not saying that you're doing that, but you have nothing to loose.

Travis Bickle - March 30, 2016, 1:19 pm

If you are doing a buy in and are going to renew your place;

why would you not do monthly buy in's for \$14.99 (or however much you want to charge)? Thought this was a group of businessmen. (Win, win for both consumer and seller)

Regardless, GLWS.

OK if thats the case it sounds like a good deal.
Though I don't have much interest buying into a group

Sevn Alias - March 30, 2016, 1:22 pm

Lol, is this group even active?

Six Double 0 - March 30, 2016, 1:23 pm

Please, stop sales bashing.

I will provide to each member that buys in to the group proof of my funds for my leadership renewal. Funds from these buy ins will be put towards group activities and contributions. I make enough money on my own to Renew my leadership each month and I plan on doing so until the group is sold or closed.

'OverSight - March 30, 2016, 1:28 pm

When Nex gets too much shit for selling buy ins that he gets another person to do it lol.

Peptide - March 30, 2016, 1:29 pm

Heart of Kings - March 30, 2016, 2:08 pm

I will join if you pay me \$35.

Six Double 0 - March 30, 2016, 2:27 pm

Let's try to stay on topic here guys. I would appreciate it.

Just to clarify again.

I WILL NOT BE USING YOUR FUNDS TO RENEW MY LEADERSHIP IF YOU PURCHASE A BUY IN. I make enough money on a WEEKLY basis to renew my leadership. I will be renewing my leadership until the group closes. Me and Nex+ have already discussed this.

Krave - March 30, 2016, 2:39 pm

Good luck with sales. Let's hope you renew your leadership for a while so it makes it worth it for members buying in.

Thanks Krave! ?

Whether everyone believes it or not, I have a future in Eternal. I will be renewing my leadership every single month and I already have plans to renew my leadership months ahead of time.

The thing they're trying to tell you is that they will kick you out even if you have the funds

labroca - March 30, 2016, 2:45 pm

Why so much hate on this thread?

This is a great price if you have no skills to get into a group.

Sevn Alias - March 30, 2016, 2:46 pm

Hmm, maybe i will just buy to help you out.

Not exactly sure what this means, if you buy in to the group the only way you will be kicked is if you have a scam report opened against you, or you do not follow the rules of Hack Forums either while in the sub forum or out of it.

(Mar 30, 2016 02:46 PM)Sevn Alias Wrote: [\[CITE\]](#) Hmm, maybe i will just buy to help you out.

I do not need any "help out".

I'm not hurting for money. Like I said, I get enough money to renew my membership for a month on a weekly basis. You can choose whether or not you want to buy in. That's fully up to you. The first buy in has already been sold and there's only 2 left.

Grammar Rays - March 30, 2016, 2:50 pm

If you have intentions of paying monthly for the foreseeable future, would you not consider a payment plan to purchase the group entirely?

Would I consider it? Of course.

That's for me and Nex+ to discuss, though.

Nex won't do that he makes more money renting leadership spots.

hacker_temp - March 30, 2016, 4:22 pm

Well that fucking buy in didn't last long. Got fucking banned got a bug.

Granny Bacon - March 30, 2016, 4:25 pm

You say that you have a job, but you still trying to sell buy-ins. Good luck anyways.

I am selling buy ins to provide funds for group contributions and activities. I've stated this many times. There's nothing against me selling buy ins in hope to spark more activity and community awareness. I have a job and I get payed enough to renew my leadership on a weekly basis, not sure how many times I've said this on the thread either.

Sevn Alias - March 30, 2016, 4:30 pm

I want to pay you \$35 to let me in your group.

MathiasHansen - March 30, 2016, 4:33 pm

I might take a look at this again soon, just a little down about the invitation being limited to 3; I feel like five would be a justifiable number.
