Thread: [HF member Dragon to be arrested, MoeTube shutdown.](#)

Vip?r - March 31, 2016, 8:57 pm

Sadly it has come to my attention that my friend Dragon

<https://hackforums.net/member.php?action=profile&uid=1661876>

has a warrant out for his arrest and his website has been shutdown for copyright infringement.

Here's his website that he used to upload free anime to:

<http://www.moetube.net/>

Omoi - March 31, 2016, 9:06 pm

I don't get how people get "tricked" maybe its attention, however was really funny what he did.

Kuso - March 31, 2016, 9:08 pm

Upload? Noooo.

This is why you only use third party upload sites for links and streaming.

Sorry dragon. Will miss you.

Edit: FUCKING WAIT.

neightworks - March 31, 2016, 9:17 pm

Getsuga - April 1, 2016, 2:09 am

The only logical thing to do now is to send him nail file in a cake to his prison cell.

Gladly - April 1, 2016, 6:48 am

Poor guy never even got a qt girlfriend when he was in Japan and now he's gonna have like 7 of them in prison ;(

L A S S 3 - April 1, 2016, 7:06 am

Fucking savage

Egregious - April 1, 2016, 5:46 pm

Knew it was a fake the moment I saw it. Official takedown notices aren't so large that it takes up the entire screen.

RainbowHentAi - April 1, 2016, 6:55 pm

He didn't even get to buy the bucket of gerbils :(

neightworks - April 2, 2016, 7:13 am

Did Dragon-kun really get a qt in the homeland? I want pics.

Edit oh

I read it as "He even got a qt when he was in japan"

Rip rip selective reading is my strong suit.

Elweth - April 2, 2016, 7:29 am

Read this thread today, thinking there's no more aprils fool :/
