It's a sign of the end of the world...

As if one wasn't bad enough, now we gotta tolerate two.

The cancer is spreading....I repeat...The Cancer is spreading.

Quick, someone take the name King of Hearts before he changes it back.

EDIT: It is against the rules to impersonate any staff member. I wonder if it applies when a staff member impersonates another staff member ?.

Roger Waters - April 1, 2016, 8:22 am
