Thread: [Ethan from H3h3 in SnoopaVision](#)

Prophet Banana - April 1, 2016, 9:47 am

Did you guys catch Ethan in the background? Dude just ain't vibing or fucking with anybody.

Sitting silently in the corner: <https://m.youtube.com/watch?v=M3l6mM3qVzk>

Sleeping in the back row: <https://m.youtube.com/watch?v=aOLTUYTkCCU>

H3H3 is getting so much shittier as he delves in drama. He was okay at first, but now he's just sold out.

Nachfolger - April 1, 2016, 10:20 am

I don't understand what is even going on here.

But rip H3H3 he doesn't post often anymore, just on him and his wife's channel. I hate it.

Cloaked. - April 1, 2016, 10:36 am

What about jacksfilms? :(

No one notices him.

Flowerson - April 1, 2016, 10:43 am

Yeah, they should of named this h3h3 vision instead oooooohhh
