Thread: [Vendettas Club](#)

**Forum Developer** - April 1, 2016, 7:44 pm

Hello, I don't have the time to create a fancy thread, so just click my signature and check it out.

**VirtualFrost** - April 2, 2016, 12:59 pm

Dont know if its just because I'm on mobile, but posts are broken and are sitting under the user info and not beside it. Also you have too many stickied threads which I see being cluttered and LQ. Theme I've seen somewhere, is it ripped? What happened with the original thread/owner?

Yo man. Your signature seems not working. I see no link :)

**Forum Developer** - April 14, 2016, 12:19 pm

Link: <http://vendettas.club/> I basically resigned my position, and this thread is old I don't know why you're replying now.
