Thread: [Betting on MLG Columbus 2016 - Over \\$2500 made so far](#)

Chief Sosa - April 2, 2016, 2:03 am

My winnings so far:

1st Day of MLG. Around \$500-\$600 made.

Spoiler [\(Click to View\)](#)

\$900 made from Fnatic vs Liquid. Liquid won with very high odds.

Spoiler [\(Click to View\)](#)

mouz vs NiP

I actually ended up losing \$30 because of Fnatic and Envy. I only made \$20 back betting on LG. I would have went bigger but after that first loss on Envy, I wasn't feeling the tourney at all.
