My last project published for free : <https://hackforums.net/showthread.php?tid=3833482>

Info :

Willing to teach people how to make a basic salary out of internet.

You will be attending courses through skype.

Application form :

Code Age :

Willing to work ? :

monetizing experience :

?

T.O.S :

I can deny and choose not to contact anyone.

I can kick anyone during the mentoring

You will have to work as an affiliate

Lazy people, please dont even try it.

The Drama Llama - April 2, 2016, 8:33 am

Code Age : 23

Willing to work ? : Yeo. Currently have a full time job, so the amount of work i can do throught the day is limited (Currently post to IG to continue to grow my account). Evenings/Nights are fair game though.

monetizing experience : I've read multiple Guides/Tutorials/eBooks so i have a rough idea of some techniques, but havent put many into action.

Currently Growing an IG account.

About to release an eBook for sale in the eBook Bazaar.

And made a little bit money doing Surveys / Reviews.

Hey Bud, would love to see what you have to offer :)

You're previous thread seemed like a pretty big success so i'd like to be a part of this one ?

Everyone pm'ed.

Thanks.

OGFury - April 3, 2016, 9:27 am

Pretty much just seems like a ploy to sell your ebook, then you'll give us the ebook.

Thanks for the opportunity but im gonna opt out, dont want to waste your time.
