Thread: [\[FREE\] Thread Design 5](#)

Hibernation - April 3, 2016, 1:13 am

I'm not too active nowadays. However, I wanted to try to design another free thread design. It's nothing special, but maybe someone here can use it. It might require some basic Photoshop knowledge or help from another member. Enjoy!

Everything looks good except the font, it doesn't go well with the design. Good job tho!
