Thread: [Orbit Hosting || Free 2GB || Unlimited Bandwidth || PM for more Info](#)

????? - April 3, 2016, 3:38 pm

Orbit Hosting

I am offering

Free Hosting With
France Location
2GB Hosting
Unlimited Bandwidth

To get this PM me for more info

I'm trying this out for a while, it might not be permanent but it will be up for a while

TOS

1. I can change these terms at ANY time
2. You cannot use this hosting for:
StressTesting
Shell Hosting
Spamming
Anything Illegal or not allowed by OVH
3. I can terminate your account at any times
4. Inactive accounts will be terminated
5. Your domain may be subject to advertisement
(it probably wont i'm just testing an idea)

FOR DNS USE CLOUDFLARE ARE POINT YOUR DOMAIN DIRECTLY TO THE SERVER IP

This is not a post for PM thread and you do not have the post in this thread to get the hosting

GuildMaster - April 3, 2016, 3:55 pm

I have no need for this, but this will be useful to a lot of users! Great giveaway!

Gonzalez™ - April 3, 2016, 6:00 pm

Thanks for the vouch!

I am currently online and can create accounts

????? - May 24, 2016, 7:43 am

This hosting will be suspended for around 2-3 days at most

I am going to migrate to a different os and control panel

All user information will be backed up and returned to owners upon request

This hosting service is reaching end-of-life

I am contemplating whether to migrate towards paid hosting or resuming this service

Thank you
