Terra Factions Is a brand new Legacy Faction Raiding server, Our goal is to bring oldschool Minecraft back again where long time minecraft players like myself doesn't get bored within the first hour of playing.

We have great balanced economy & Some of the greatest PvP plugins. We also have a very unique rankup system where you can unlock new kits, commands & prefixes for ingame money. And oh, no bullshit MCMMO.

We are still upgrading it trying to find the best combinations of plugins for the greatest of minecraft raiding and pvp. We will be constantly upgrading the server with new features so stay in touch.

Features:Unique Rankup system

Legacy Factions

Economy

Increased damage with headshots

Auctionhouse

Mounts & Pets

Obby breaker

More Health - The more xp you have the more health you have

Feel free to join anytime! IP: play.terrafactions.net
