And around 30 of the original 151 Pokemon ids, if seriously interested in pokemon ids/emails post and lmk and ill PM you the list (sorry my PMs got turned off and i cant turn them on from my mobile)
Few examples: Abra, Venusaur, Flareon, Hitmonchan, Golbat, Scyther and more....

Also have lots of steams (100+) still with games like call of duty, cs source, saints row, unreal t, left 4 dead, half life 2, battlefield, etc etc

And netflix/hulus/spotifys guaranteed for 1 year

?K47 - April 6, 2016, 2:01 am

Can add all of these OG pokemon emails and aim/aol chat screen names...

Divined - April 6, 2016, 3:21 am

Out of all these, probably Magikarp and Trusted are worth a fair share.

thatsianboy - April 6, 2016, 4:12 am

Replying to come back each day to take a look!

?K47 - May 10, 2016, 1:28 am

Bump been a few months since I been on here so if anyones interested in something ill check back tomorrow

Savv - May 21, 2016, 4:21 am

Vouch for my boy, sold me a few accounts.

Legit & Quick seller.
