Thread: [Hide HF logo](#)

Remix - April 6, 2016, 2:22 pm

Hey,

I just made a simple script which hides the HF logo.

Link

<https://greasyfork.org/en/scripts/18555-hide-hf-logo>

How to use it

Once you've installed it you can activate it under:

User CP > Edit Options > Forum Display Options

Greetings Remix
