[PM ME TO PAY PAYPAL](#)

VOUCHES:

(Apr 6, 2016 06:49 PM)AFTERMATH ? Wrote: [\[CITE\]](#) good luck with sales buddy.

(Apr 6, 2016 06:51 PM)NEWXGE Wrote: [\[CITE\]](#) Vouch. Audi0 is a very HQ user, would not hesitate to deal with him

After purchasing, here is my review:

After reading this eBook I was very satisfied. The method was simple enough to understand and the directions and steps were perfectly laid out. I already have a few opportunities to make money with this method. The price could be lowered but it was all around a HQ eBook. 8/10

(Apr 6, 2016 07:49 PM)NEWXGE Wrote: [\[CITE\]](#) Just bought a copy of this method and it was really well explained. Props to audi0 for writing this.

(Apr 7, 2016 01:49 PM)YayHar Wrote: [\[CITE\]](#) Here is my honest review of this ebook:

Grammar:

The grammar is fine, I saw one or two spelling errors, but nothing that made this ebook hard to understand. Actually, it's pretty easy to understand. It was very well explained and even though at some parts it leaves you to fill in the blanks, it's not that difficult plus it adds to making this unsaturated.

Ability to Earn:

I'm sure you could earn a decent amount of cash on. It's nothing

you can live off of, but it's a great way to earn money without doing any work at all. If you have a computer or even a phone, you can do this and make money.

Cons:

The only thing I don't like is that you get paid IRL by people you know, which to me seems kind of a weird thing to do. Take money from people you know by cheating the system a bit.

Pros:

There are two methods in this, so the whole "Get paid irl" thing doesn't matter as long as you know how to read. The other method is smart, kind of more difficult to do and requires a bit of work, but after you work for it you get money. I mean you can pickup some serious dough.

Thoughts on this ebook?

This ebook is good for the person who has basic social skills and goes to school. If you're in high school, I recommend learning this method, as you can pick some up some extra cash you can use for things you may need.

T.O.S

1. Do not sales trash. If you do your right to a refund will be revoked.
2. Do not chargeback. If you do a proper scam report will be filed.
3. I have the right to deny any refund.
4. By purchasing you are agreeing to these terms.
5. These terms are subject to change at any time.

**TheWHO?** - April 6, 2016, 6:49 pm

good luck with sales buddy.

**YayHar** - April 6, 2016, 6:51 pm

Looks like a HQ ebook. Will check on this thread later.

Before you read this review, please be aware that I am in no way affiliated with the seller. This review is based solely on the content within the eBook, not on the personal profile of the seller or anything else. This eBook was given to me by the seller and I am leaving a review in response as requested.

>> Limitless Cash << - Official Review by Rita Ora ?

Method - 5/10

Unfortunately, this is a common method. I have at least 10+ eBooks on my HDD with this exact method. Some include more information, some include less. I'm not saying this is a bad thing, sometimes it can be good, but you have to realise that it is saturated in some cases.

Grammar - 9/10

Grammar was fine, nothing made the eBook stand out which was sad to see. Simple writing style, few pictures and easy words to understand if English isn't your first language.

Earning Potential - 7/10

As stated above, this method is saturated. I honestly doubt that OP as thought of this method himself as it's been around for a while. That being said, there can be some nice earnings made if you are comfortable with talking to people and before you ask, there is no social engineering.

Overall - 7/10

In conclusion, this method is well written, but well used. For the price of \$15.99 for Standard and \$24.99 for Premium, I honestly would say avoid it. This isn't to be harsh, but I don't know if this is professional enough to cost that much. I might consider purchasing this for \$9.99-\$14.99 but anything higher, nope.

**Oddissee** - April 6, 2016, 9:22 pm

Thanks for posting this, he always trashes me HQ stuff, glad he got his taste of his medicine. I already knew this was LQ af.

**? BoxyBabee ?** - April 6, 2016, 9:33 pm

Method - 4/10

This method has been around for awhile now and is sold within other ebooks across the web but if you're good at marketing and talking to people it will work. [ No this is not social engeneering ]

Grammar - 9/10

Grammar was fine i personally didn't find any issues with it, i liked that it had pictures to help you understand.

Earning Potential - 6/10

This method is saturated. BUT i believe it would be possible to make money using this ebook, Not a incredible amount but i believe there is some money to be made.

Overall - 5/10

Overall i believe the price is a bit high for a saturated method that DOES involve you investing money to earn your money back, This i did not see in the forums post for buyers to note.

OP requested voice review but in reality i feel this review was bad enough you really don't a tone to paint a more vivid picture.
