Man I love this band:

[Video: https://youtu.be/jrSg3_OpR0Y]

Waggaki Band, lead Singer Suzuhano Yuuko.

Do you like it? I am searching for similar bands, please link or list them bellow if you know any.

Deany - April 7, 2016, 2:09 am

I heard of them while I was browsing random weeb playlists

I like the traditional Japanese style they use as well.

Lol BabyMetal is already one of my Favs and even my mom and "Smaller"[14-15yo] cousins like'em...

Though thanks for the share hehe...
