Thread: [Boston "Noob" | UID=2447024 | Selling stolen sources](#)

USER CHANGED USERNAME TO "Noob"
IN ATTEMPT TO HIDE IDENTITY.

Boston was selling a lifetime spot for "his" social media panel, so I bought it.
The next day, his lifetime product goes down for maintenance because he got caught using a stolen source from another HF member.
So the HF member makes it so that Boston's panel could not work anymore.

Boston says to give it a few days to a week for the user Raven to (his dev) to fix it.

I gave it around a week, just PM'd Boston again he was like message my dev raven, you can find him in my rep.
So I PM'd him.

I get this back:

Now look at the time Boston told me to do this:

Boston said he will not refund me for his lifetime product that only lasted a day because it was stolen.

TL;DR:

- >Boston offers lifetime access to panel
- >Panel ends the next day because it was a stolen source
- >Goes down for maintenance
- >Boston tells me to message Raven because he's his dev
- >Raven says that he refunded his money and is confused
- >Boston will not refund

Ye the source was stolen. If needed I can approve it I guess.

Hopefully he refunds. : /

"It was in the T.O.S"
TOS or not, its unethical.

He offered a life time panel that would last 1 day (some users it would even work for the 1 day)

This is bullshit, I PMed this user saying it was stolen (couple days ago) and it works like SHIT. He
threatened to open an community alert and put me on his ignore list.

TRAUMA - April 13, 2016, 9:08 pm

This kids panel is still not up like he promised.

Regan - April 13, 2016, 9:11 pm

Advertises HFAAlert in his signature and is a scammer himself. Oh the fucking logic.

SIM-2470866 - April 13, 2016, 10:05 pm

Same here, whenever I ask for refund he starts bitching and now he is ignoring me.
