Thread: [UB3R/L33T/3P1C - BUYING YOUR SIGNATURE SPACE!!!](#)

Zenfex - April 8, 2016, 11:40 am

Looking to purchase the signature spaces of some UB3R/L33T/3P1C members.

This is just for a bit of fun, don't take this too serious!

Here is the signature I want you to wear:

Code

[url=https://hackforums.net/member.php?action=profile&uid=3082928][img]https://i.imgur.com/TArNoGv.png[/img]][/url]

Criteria:

1. Must have at least 10 posts per day.
2. Must be UB3R/L33T/3P1C

I will be paying \$2 to each member who uses this. Post your BTC address below and once I've sent the money, I will PM you and you should wear the signature for 7 days. If anyone doesn't wear the signature, then a scam report will be opened.

Thanks guys, hope you all have a blast with this! ;)
