I have this but you must go first due to your rep, lmk.

PrivateDonut - April 9, 2016, 12:56 am

The user \$tash is stilling an xbox one account with GTA V on it, and it's within your price range. You can view his thread [here](#)

I don't vouch for the user listed above, I just seen his thread a few hours ago and decided to list it for you.

Arch - April 9, 2016, 4:00 am

Can sell game share, my personal account for \$20, u also can get the other games i have.
