Thread: [Assign a staff member to deal with deal disputes.](#)

Egregious Jr. - April 8, 2016, 7:09 pm

Basically a staff member has to deal with disputes, and judge each side. If the defendant's side doesn't pay, they get banned. This would deter people from scamming.

Nope.

Staff doesn't get involved in deal disputes.

Skyp? - April 8, 2016, 7:10 pm

Staff don't get involved with deals, all deals are made at your own risk.

Omni would probably never do that, plus he just posted about shit like this yea?

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

I just feel that people are rarely banned for scamming.

People rarely do their homework before conducting a deal.

I don't know, for example Vos. (don't have the Uld atm), has scammed several people and has been rep killed, but still has yet to have his account closed.

Omni deals with scammers appropriately I believe.

Omni bans scammers sometimes or sometimes RKO's them. But to answer your suggestion I don't think this will happen.

LSD? - April 8, 2016, 7:38 pm

it's hack forums darwinism OP, has to take place for the cycle to continue.

Bluffer - April 8, 2016, 8:03 pm

Terrible idea, staff don't get involved for a reason!

Hanzo - April 8, 2016, 8:06 pm

There could be potential favoritism.

This suggestion could be extremely abused and what could they do? Nothing.

Such are the threads which get your account closed....

OP Deals are private affair.
