Thread: [Watch YouTube Videos While Browsing In Your Chrome Browser](#)

Cyber Warrior - April 9, 2016, 3:56 am

Another video presentation, which will teach you little trick, to watch youtube videos while browsing in Google Chrome browser. Enjoy! ?

engr.s - April 11, 2016, 11:28 am

Thanks man nice tut really helpful

fluffymax90 - April 11, 2016, 2:46 pm

Thanks man, really really helpful

Frankey - April 11, 2016, 2:48 pm

Thanks for the 'method'. Didn't know this.

That powerpoint though xD nothing wrong with it but the background Song makes it cringeworthy.

Roytoy - April 11, 2016, 2:50 pm

Sounds really helpful. Posting here to try it later.

Stowaway - April 12, 2016, 3:08 pm

wow such a great way to multi task and then procrastinate at the same time :D.
lol im using it

Ooze - April 13, 2016, 2:14 pm

I normally use
[Tubblr](#)
cause I'm mac

saurabhthebest - April 14, 2016, 3:03 am

That Is Some Good Stuff.
will try it.

BlackBonesKnives - April 18, 2016, 5:10 am

I will try this. Thanks for sharing.
