THE PAYPAL 6 DOLLAR MONEY-MAKING METHOD

All you need is:

- 1) An email address
- 2) A PayPal account
- 3) \$6.00

WHAT IS IT?????

The idea is that of a system that takes advantage of the power of compounding. And in a big way, let me tell you. First and foremost understand that there are countless spin-offs of this system that try to make a "quick buck" off of people. Long lists, the 5 & 10 dollar trees, the birthday systems, etc... Those spin-offs do make money because of the ease of implementation of this idea, but they do NOT use the compounding advantage. This system is THE LEGIT and PROFITABLE one.

Here is how it works...

There is a list of 6 email addresses (you'll see it as you read further). Each of these people has already taken part in this system. When someone new comes along (such as yourself) he/she removes #1 off of the list, moves the other five email addresses up one position (i.e. #6 goes to #5, #5 to #4, etc.), and places their PayPal email address in the #6 position. This process is what develops the power of compounding. The bottom line is this

HONESTY and INTEGRITY CREATES PROFITABILITY.

Following this EXACT process is what creates the money, and that is why this system has been raved about in the media. Altering the system creates weak results. The legality of this system comes from the idea that you are of course creating a mailing list, and a "service" is being provided (more on that later.) Now on to how your \$6.00 creates BIG money...

INSTRUCTIONS:

STEP 1:

The first thing to do is highlight and SAVE this entire post in word or notepad on your computer so you can come back to it later.

After that, if you are not already a PayPal user you need to go to the PayPal website at [paypal.com](https://www.paypal.com) and SIGN UP.

If you want to be able to receive credit card payments from other people then

you will need to sign up for a PREMIER or BUSINESS account (not just a PERSONAL account).

This is highly recommended to allow others easy payment options. In order to place the initial \$6 into your account, you will have to verify your bank account with PAYPAL (which may take a few days). PAYPAL is 100% secure and is used by millions of people worldwide.

STEP 2:

Here is where the action occurs. The first thing to do is to send a \$1.00 payment to each of the 6 email addresses on the current list from your PayPal account. To do this quickly and successfully, follow these simple steps:

1. Login to PayPal and click on the "Send Money" tab near the top of the screen

2. In the "Recipient's Email" field enter the email address

3. In the "Amount" field enter "1" (This is your \$1.00 payment in USD US Dollars)

4. In the "Category" field select "Service" (Keeping it legal)

5. In the "Subject" field type "EMAIL LIST"

6. In the "MESSAGE" field enter "PLEASE PUT ME ON YOUR EMAIL LIST".

By

doing this, you are creating a service and maintaining the legality
of

the system by "paying" for the service.

7. Finally, click on the "Continue" button to complete the payment.

8. Repeat these steps for each of the 6 email addresses. That's it!

By

sending the \$1.00 payment to each address, you are implementing the
compounding POWER of the system. You will reap what you sow!

Here is the current e-mail list: *****

The Email list:

[/size][/font]

1. Isaiahmccomb97@gmail.com

2. michaeld...@yahoo.com

3. sbk...@gmail.com

4. mttse...@gmail.com

5. edgar...@gmail.com

6. aisumo...@gmail.com

STEP 3:

Now take the #1 email off of the list that you see above (from your
saved file), move the other addresses up (6 becomes 5, 5 becomes 4,
etc.) and add YOUR email address (the one used for your PayPal
account) as number 6 on the list. This is the only part of the
document that

should be changed. Make sure your email address is the one you
have registered with PayPal

STEP 4:

Post your amended article created in Step3 to at least 200 newsgroups
or message
boards. Keep in mind that there are tens of thousands of groups
online!

All you need is 200, but remember the more you post the more money

you
make -
as well as everyone else on the list! I've began to see money roll in
before I even hit 100 posts, but try to hit around 200 to allow
maximum exposure. Use Netscape, Internet Explorer, Firefox, Safari,
or whatever your internet browser is to search for various news
groups,
on-line forums, message boards, bulletin boards, chat sites,
discussions, discussion groups, on-line communities, etc.
For example, log on to any search engine like yahoo.com or google.com
and type
in a subject like;
'MILLIONAIRE MESSAGE BOARD', 'MONEY MAKING DISCUSSIONS',
'MONEY MAKING FORUMS', or 'BUSINESS MESSAGE BOARD', etc. You will
find thousands and thousands of message boards. Click them one by one
and
you will find the option to post a new message. Fill in the subject
which will be the header that everyone sees as they scroll through
the list of postings in a particular group, and post the article with
the
NEW list of email addresses included. THAT'S IT!!! All you have to do
is jump to different newsgroups and post away. After you get the hang
of it, it will take about 30 seconds for each newsgroup.

HOW THE MONEY WORKS:

When you post 200 messages in various forums, it is estimated that at
LEAST 15 people will respond and send you a \$1.00 (\$15.00). Those 15
will Post 200 Posts each and 225 people send you \$1.00 (\$225.00),
etc.
through 6 levels of email addresses. For comprehension purposes, here
is an easy viewing chart:

- 1) $15(1) = 15 \text{ people } (\$1) = \$15$
- 2) $15(15) = 225 \text{ people } (\$1) = \$225$
- 3) $15(225) = 3375 \text{ people } (\$1) = \$3375$
- 4) $15(3375) = 50625 \text{ people } (\$1) = \$50625$
- 5) $15(50625) = 759375 \text{ people } (\$1) = \$759375$

As you can see, your \$6.00 has multiplied exponentially. What other
opportunity that is as simple as this can cash in the way this can?!
I'm not going to say this is going to make everyone over \$800,000,
but within a few WEEKS you begin to see results, thanks to the speed
of
the internet!

When your name is no longer on the list, take the latest posting in
the newsgroups and begin the process again. Simply amazing...
One other tip to speed up the process even more:
You can send out your amended post (after you complete the process

and add your PAYPAL email address to the list) to the contacts you already have in YOUR email address book! It is AMAZING how fast this works.

REMEMBER...

HONESTY AND INTEGRITY = PROFITABILITY
YOUR NAME COULD CYCLE FOR A LONG TIME! THIS MAKES IT THE GIFT THAT
KEEPS ON GIVING.

Hey buddy, do you mind if I use this post as a reference when someone says to me, "Hey, Skadoosh, what's a ponzi scheme?"
