Kik doesn't give a fuck about the sale of OGs, but you can stay keeping them private for no reason.

Yes, not sure what's going on with this user... when he originally posted his middleman thread I thought he may show to be a valuable member. Seems to be just another LQ poster attempting to make their way into the trolling community.

*Isn't doing too good of a job at it either.

Boston, go back to HQ posting. It fit you better.
