I'd really appreciate your help if you could just suggest me whatever you can.

{I'd really appreciate no trolling}

Why need 200+ awards?

Just start with a few and work your way up.

Being the objective of this forum is to earn as many Awards as you can?

If you look for some similar forums (Award Based) They'd be many awards you can use for ideas to create your own.

Understandable, may be hard to match 150 unique awards.

I'll repost on this thread once I've created a list of as many as I can, give me a day or two.

That's pretty fuckin' gay dude.

If you're going to make awards, don't make tons. Don't make them buy-to-win, don't make them easy to get.

Tons of awards = tons of users, but those users = LQ users.

Regarding your PM.

Thank you.
