Do you just play music or do you do narrating also? :)

Nadisty - April 15, 2016, 1:20 pm

Shit made my first mistake, and this is my second time broadcasting, hoping to narrate over it in the future.

Wireless Network - April 15, 2016, 1:20 pm

It went a bit bad just then but it could be back on track now.

I think I heard maybe 3 songs at once and they never went well. :(

If you get more experienced, I have a partnership idea for you. Some exposure for you.

Nadisty - April 15, 2016, 1:30 pm

Yeah, I was rushing to get on here and fuck on with that hahaha, same again ffs. IMA STOP REPLYING NOW

ive been on stream for 1h and a half. Im getting mentally drained. What partnership?

Alexander - April 15, 2016, 1:32 pm

It sounds good to me, but I don't regularly listen to music like this.

Grammar Rays - April 15, 2016, 1:33 pm

I've got a project I'm launching on HF in a month or so.

A background radio would fit well. :)

Nadisty - April 15, 2016, 1:37 pm

Sounds good. Just letting you guys know, i've never mixed for a longer period of two hours, so when it reaches 10 and I still mix, I apologise for some out the OUTRAGE I cause you all
