Thread: [Norous crypting service | CHEAPEST ON MARKET | \\$1 ANY MEMBERS!](#)

**Puffer Fish** - April 18, 2016, 12:06 am

Hello,

I dont have fancy thread design, So basicly im offering a cheap FUD crypting service.

Price: \$1 per stub (All members)

- You will go first if your rep is lower than me
- You will also go first if you are newbie or your post is below 50

Bitcoins only. Shoot me a pm if you ever need vouch copy or feel free to post below this thread.

Vouche?- PM me if you are a trusted member <3

**Puffer Fish** - April 19, 2016, 11:26 pm

Online and accepting suggestion and ideas : )

**Puffer Fish** - April 22, 2016, 10:34 pm

Online and accepting orders

**Puffer Fish** - April 26, 2016, 9:42 am

Online and taking orders. :)

**Puffer Fish** - April 28, 2016, 12:01 am

Online and taking orders :)

I am interested in a vouch copy. What language is the stub coded in?

You might also want to try the Cryptography Market. There are more people interested in crypters and crypts there.
