Thread: [Signature/Avatar/Logo Hell yeah baby let's animate the shit out of it](#)

.Bux - April 18, 2016, 2:52 pm

Oh hi gorgeous.. ?

Didn't see you there... Do.. do you wanna dance with me?

If you've been on the free graphics section you've surely seen me around, I do alot of animated gifs because it looks freaking awesome

Making things clear:

Gifs I make are at a high frame rate and have high quality, so I can't make gifs as long as I want

I'm doing this for free, for fun, and to get more skills, so don't bitch about the delay (even though it won't take more than 12 hours because I have no life) or I'll twerk on your mom's spaghetti until it looks like ravioli

PLEASE SPECIFY IF YOU WANT AN AVATAR, A SIGNATURE OR A LOGO, THANK YOU

Tos:

- I won't do your fucking thread design, get over it, the things that I'll do are in the title
- Don't pm me, post your request here, because I'll post the finished work here anyway
- Be fucking specific unless you want me to create something on a brain fart
- If you don't kiss me as a reward I'll open a scam report
- Be gentle

I'll be your first one I guess.

I am into the vices section here on HF. I would love a signature with the topic of Marijuana. I was thinking as an animation, you could have a blunt glow red on the end, with some cool smoke effect. I don't know.

I just mainly want something to do with Marijuana and with the text "Josimc" and subtext "Join the family!"

c4rm4 - April 18, 2016, 11:49 pm

Can you make me avatar? I give you free hands :D And I promise that I will use it too.

You able to make me a cool avatar? The letter K in it would be awesome (my name is Kenny)
Thanks!

Core i5 - April 22, 2016, 5:48 am

Hey lad, can you do two things for me? I can wait, no need to rush!

1. My name is Pathegon, (misspelled it when I was little, it was supposed to Pathogen) anyway, Pathogens are deadly viruses, do you mind doing a "P" or the full name "Pathegon" giving it a plague-like cool feeling?

2. My actual name is Saad, would love if you can do a gif for that. Free hand :)

Daddy Fortnite - April 22, 2016, 7:51 am

Something with my current avatar.

Name: Fighters
