Diamondo - April 20, 2016, 4:27 am

I've rewatched first Naruto third time and started again with Shippuden. I'm at 120th episode. My favorite anime of all time :)

Omoi - April 20, 2016, 6:14 am

Just started it around epp 10 xD

Beats! - April 20, 2016, 12:25 pm

Caught up to the anime a few months ago, started watching last year. After I caught up, I read the manga until the end, it was quite enjoyable. My favorite character is probably Kakashi but Spoiler [\(Click to View\)](#) I especially like him when he gets both Sharingan so he can use his blue Susanoo with the Shuriken shaped like his Sharingan during the final fight with Kaguya.

icantcompete1 - April 20, 2016, 1:44 pm

No, but I am very interested! Just haven't found the time.

Duk. - April 21, 2016, 6:20 am

As I said on one of the other threads, I personally haven't ever had any interest in Naruto.

Sekruse - April 27, 2016, 12:07 pm

After a while the anime got a bit tedious to watch. I'm not hating on it because I have been a fan for a long time, but I can be glad to say that the series has finally ended

4ngelic - April 27, 2016, 3:39 pm

Probably gonna watch it after I finish catching up on One Piece episodes.

It's pretty shit, anyone who is getting into Naruto stop it before you are too deep into it.

Sorun - April 28, 2016, 1:30 am

Crunchyroll updating next ep in a hour. Loving this itachi filler.

absolutezero273 - May 1, 2016, 11:43 am

I dropped naruto because of fillers.

Lewd - May 1, 2016, 6:45 pm

My favorite character hands down is Itachi.

Sorun - May 5, 2016, 7:25 pm

Yo looks like were getting filler that wasn't in the manga next week. Pretty happy about it.

KinGxKeV - May 5, 2016, 8:27 pm

I watch when I need to lose some weight

Steve - May 5, 2016, 8:28 pm

Naruto is awesome! Kakashi is one of my favorites but the Akatsuki is probably my favorite part of the show. So many badass guys teaming up.

_Pain - May 5, 2016, 9:06 pm

I watched the first series when he was kid two times and now I'm re-watching Shippuden to catch up the ending since I hate waiting 1 week for another filler.

Basically 1th Pain with Yahiko's body is one of my favorite character out there. His badass level is over 9999. I almost forgot how badass was Naruto's fight with Nagato and all the Pains. I literally enjoyed it more than first time.

That's why I like to re-watch most of the anime I've watched. I just enjoy them more than the first time.

GamersHeaven - May 5, 2016, 9:09 pm

My favorite character so far is Kakashi

Silver Fang - May 5, 2016, 10:14 pm

My favorite character is probably itachi uchicha.

And by the way the fillers have stopped now, they are on the red-thread again :)

Next weeks episode is pretty much filler though.

Oh, are you kidding? They just realeased two episodes which are not frickin' fillers and now they gonna start again? ahap, need to wait 1 year more until they pick up the main-line again then.

It's Kaguyas origins so I think it would be pretty nice. Judging from the preview its stuff you didn't see in the manga.

Armady1 - May 6, 2016, 12:24 am

By the time you catch up the series should be completed. Enjoy it!
