Thread: [Free Socks5 proxies | premium paid proxies for free | all countries](#)

MoneyMan18 - April 20, 2016, 10:53 am

I'm doing a giveaway to all users. Just keep the thread alive :) post or pm me and request a certain location and I will provide a socks5 proxy for it. They work EVERYWHERE I've tested and are premium paid \$2/ea proxies. Enjoy!

Can I get Denmark or Norway proxies please? Thanks ?

DanteStigma - April 23, 2016, 4:29 am

I will never ask for anything from a rep-fucked user, no thanks.

I saw something about suspicious IP comment among people who rep-fucked you, well ur sketchy bro, who knows what you will do with those who connects the proxies :d sell data? log stuffs? gj gj good luck.
