Thread: [SCAMMED AGAIN! :\( \\$60 uid=2987553](#)

**NFL** - April 20, 2016, 4:43 pm

I have been doing business with this user for months! She has always been legit and gone first for our transactions. She was recently scammed so she got skeptical and asked if I would go first. I too was recently scammed but decided to trust her as we have history. Turns out she is now ignoring me and has not sent me the code for \$250 agc. I sent her \$60btc just to comfort her until I redeemed the code. </3 ?

Thats twice now for me within a week.

Shes looking at the thread but wont respond.

I have had awful luck lately. Lost my headphones and I just wanted to buy a decent pair ?

**Creativo** - April 20, 2016, 4:50 pm

I would never trust someone with the name of a girl on their username, or someone who claims is a girl at that, I may sound sexist but 99% of those situations its a guy acting as a girl to get people to trust him and then scam, Sorry for your loss OP

**rdz789** - April 20, 2016, 4:52 pm

Damn, sad to see you get scammed man. Good luck.

**Doodlegod** - April 20, 2016, 4:53 pm

It doesnt matter if he went first, U could've done thousands but if he goes first that doesnt make him trustworthy.

I am in NO WAY involved with any of her business though, so don't get confused. Just clearing up that the member is a SHE

I totally understand as its not your responsibility whatsoever but maybe you could just message her and ask her to respond to me? ?

**Mi2414** - April 20, 2016, 6:49 pm

Hope you get this resolved soon man, hate seeing this happen to nice people..

**Packet Rate** - April 20, 2016, 6:49 pm

Damn sucks you got scammed..

**Ambien** - April 20, 2016, 9:25 pm

This sucks, if a user was going first to me for months and they came out asking me to go first to a sorta big deal id think the situation would be sus. There's no need for you to go first if that person was going first all the other times. Sorry again though.

**Demon?A?sylum** - April 21, 2016, 7:10 am

I told you everyone, But no one's trusting me.

I am happy that you got scammed by her/him. Because you are also the one who was taking his/her side when she sold me "CARDED AGC".

Explained everything here:

**virulence** - April 21, 2016, 11:48 am

Its a shame that this happened, but now you've learned to never go first with non-upgraded accounts, no matter how trusted they are. Friends/Acquaintances can turn into backstabbing thieves in minutes over the internet.

**TheVBScripiter** - April 28, 2016, 6:18 am

Fuck it. @edited.?

**Brasil** - April 30, 2016, 5:10 pm

I'm not saying anything about whether or not the OP was scammed, but I just did a \$25 deal with the accused no problem.

**Toncekkk** - May 1, 2016, 2:49 am

My friend went first and sent him 50\$ for agc and he just ignored him and blocked on skype...

**SIM-2501407** - June 10, 2016, 5:44 pm

Damn, sorry for your loss OP.

He just tried to an exchange with me, but I am not doing it with him.

**Danny Khalifa** - June 10, 2016, 5:47 pm

Sorry to see this happening..

Hope this will be solved fam.

**Snapbytes** - July 4, 2016, 4:34 am

Still unresolved? Damn! And that user who scammed you is still dealing on site.
